RETURN TO
RECORDS MANAGEMENT DIVISION

Work Report, Week Ending 5 April 1956.

1. Project 6-20, Survey of Foreign Institutes [REDACTED]. The ad hoc committee on this subject was reconvened by the Chairman, the LAL/OR. The staff study, as presented by Mr. [REDACTED] with the assistance of Mr. [REDACTED], Deputy Chief, IR, was accepted by the committee. The LAL/OR complimented Mr. [REDACTED] on the fine job they did in making and presenting the findings from this survey and asked them to assist the Liaison Division, CCR in the publication of an issuance setting forth the various components which have information on foreign institutes and some details as to the information contained in the files. Publication of an issuance by the Liaison Division and dissemination to the intelligence community should result in better production of intelligence where information on foreign institutes is utilized.

2. Project 6-25, Personnel Records Survey [REDACTED]. Survey report presented; assignment completed.

3. Project 6-16, Survey of Personnel Procedures [REDACTED]. Commo installation of the manpower system was effective April 1. Personnel documents were released to D/Pers. for processing. Internal records in Commo are set up on the new basis. We are in touch with the activity. No "hitches" have developed.

Following recent discussion of "concept" in relation to the entire personnel system, a paper is being prepared on the subject as a means of presenting suggestions for improvement in the overall Agency personnel management/administration system.

4. Project 5-80, Review of Procedures, Printing Services Division [REDACTED]. No change in status.

5. Project 5-1a, Fiscal Division [REDACTED]. No change in status.

6. Project 6-24, Survey of Separation Procedures [REDACTED]. Interviews have been conducted with OSI, ER, PPO, WH and CI and are continuing in the FE Division. All components interviewed provide for formal deprocessing of separating employees, especially staff employees. There is less formality in procedures with regard to types other than staff employees depending upon the circumstances of the separation and the physical location of the separator. Specific information re components which are late in their notification of separations to Finance Division is being obtained

25X1A9a from the Chief, O&L. Mr. [REDACTED], of TAS, who has been obtaining some information for us on a project, has been reassigned and another member of this Staff will take over his assignment.
